Replace Sec. 603.5(b)(2) as follows:

A turnaround shall be provided for all dead end streets. The general layout of such turnaround, including pavement width and placement, shall be recommended to the Planning Commission, in writing, by the Village Superintendent of Public Works, working in conjunction with the Village Code Enforcement Officer and the Village Engineer. The turnaround shall be based upon, but not limited to, traffic flow density and number of residences, length of incoming street, number and location of driveways at the dead end, topography and emergency services.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

Upon approval of such general layout, the developer's engineer shall design and submit the turnaround to the Planning Commission. Upon the approval by the Planning Commission, such turnaround shall be incorporated in the preliminary plat and all subsequent plats.
